

## **North Wales Show 2<sup>nd</sup> July 2016**

Dear Sir

I would like to take the opportunity to express my profound thank to all those individuals and organisations that have helped us once again with this years show. Particularly our small band of able volunteers who turn a few fields into such a great event in a matter of a few days and in their own time and that leaves me full of admiration for you all.

I would also like to thank all those individuals and companies who assist us or sponsor the show in one form or another and it must be said that without their continued support we simply cold not hold such an event. So hopefully long let us continue.

And not us forget our section competitors - poultry, cattle, sheep, rabbits, Home and Garden, stick makers, dogs and horses who all continue to support us.

Diolch yn fawr iawn i chi gyd/Again my thanks to you all

Peter Rutherford – Chairman
